

2014 AACC International Media Kit

Audience

AACC International's audience includes food scientists, chemists, microbiologists, engineers, nutritionists, and those interested in the cereal grains and related industries, including those in product development, quality control, marketing, technical sales, and production management.

Value-Added Programs

AACCI is committed to building strong alliances with its partners by designing value-added packages (Platinum, Gold, and Silver partnership opportunities) that will open doors for your organization throughout the field of grain science. Our partnership program enables you to *differentiate* your company from your competitors, contributing to your business growth. Our two journals, *Cereal Foods World*[®] (CFW) and *Cereal Chemistry*[®], and our multimedia journal, *CFW Plexus*, are leading sources of information on grain-based science, technology, and product development.

Protective Clause

All advertising orders are accepted subject to the terms and provisions of the current editorial calendar. Advertiser and/or advertising agency assumes all liability for content (including, but not limited to, text, illustration, representation, trademarks, labels, or other copyrighted matter) of advertisements printed or the unauthorized use of any person's name or photograph arising from the publisher's reproduction and publishing of such advertisements pursuant to the advertiser's or agency's order. AACC International reserves the right to discontinue, omit, or reject any advertising or any part thereof. This right shall not be deemed to have been waived by acceptance or actual use of any advertising matter. All advertising is subject to AACC International's approval. AACC International reserves the right to reject advertising that is not in keeping with AACC International's standards. AACC International reserves the right to place the word "Advertisement" with copy that, in AACC International's opinion, resembles editorial matter. AACC International is not liable for delays in delivery and/or nondelivery in the event of acts of God, action by any governmental or quasigovernmental entity, fire, flood, insurrection, riot, explosion, embargo, strikes (whether legal or illegal), labor or material shortage, transportation interruption of any kind, work slowdown, or any condition beyond the control of AACC International affecting production or delivery in any manner.
