

## 76 Students Receive Travel Awards Thanks to Donors Like You

The AACC International Manhattan Section coordinated fundraising efforts to provide 76 students with a travel award to attend the 2007 AACC International Annual Meeting in San Antonio, TX, last year. The 76 students represented 26 universities from seven countries. Thank you to all of the contributors for making the 2007 program successful.

For more information on how to help students attend next year's meeting, contact Mike Tilley at michael.tilley@gmprc.ksu.edu.
